Multicultural Golf Association of America Completes First Full Year of PGA Tour / USA Network Youth Clinics

Westhampton Beach, NY - December 19, 2003 - The Multicultural Golf Association of America, Inc. (MGAA) has completed 29 PGA TOUR / USA Network youth golf clinics during 2003. The clinics, scheduled in conjunction with PGA TOUR events, consisted of a five week clinic program aimed at introducing new kids to the sport of golf. Thousands of young adults from coast to coast participated in this unique program which promises to get even better for 2004. The final program for 2003 was held in Tampa, FL in conjunction with the Chrysler Championship.

The MGAA, a national non-profit junior golf organization, is facilitating the PGA TOUR / USA Network Youth Clinic Program. The junior clinic program was in conjunction with USA Network televised schedule for the 2003 PGA Tour. MGAA's mission is to make golf available and accessible to all people.

MGAA, Inc. along with The First Tee and the PGA of America will be conducting the clinics in 2004. MGAA's kickoff clinic in 2004 will be in Phoenix, AZ in conjunction with the FBR Open.

If you would like additional information about MGAA's program please contact the office at (631) 288-8255 or visit MGAA's web site address is www.mgaa.com.
